## **NEWSLETTER** **July 2010**

**Due to FINRA** taking the maximum time allowed to approve a brand new Broker Dealer, the amount of new buyers for Broker Dealer Shells, is the busiest we've seen it in 24 years.

**We at Broker Dealer Market, Inc.** are in need of Good, Clean Shell Broker Dealers! 90% of our inventory is under deposit and working towards a successful closing. We especially need \$100K Shell Broker Dealers. We have buyers waiting for a Broker Dealer with **PROPRIETARY TRADING**. Also in High demand are Broker Dealers who are approved for **ONLINE TRADING**. If you have a shell Broker Dealer and are even considering filing a Broker Dealer Withdrawal (BDW) or have EVER given any thought to selling your BD, **CALL US TODAY**. We have buyers ready to move immediately for the right Shell. Do you want to stay in the industry, but don't want to own your BD? Why not sell your Broker Dealer, stay in place, and let the new owners deal with the compliance issues.

***Sell your Broker Dealer or Registered Investment Advisor.***

**BOOKS OF BUSINESS –BROKER DEALERS.** Due to the influx of new buyers, Books of Business are in GREAT Demand. Size doesn't matter! (In this case at least), we have buyers that will buy small and large books. Even if your firm is in trouble **WE CAN HELP**, we have options for you including but not limited to; Super OSJ, Forgivable loans, Mergers and Selling opportunities.

**For those of you** who do not know and/or missed our last Newsletter, we have relocated our corporate office to Georgia. Please take note of the new address and phone numbers below.
